B. White-tailed Deer Bag Limits and Season Dates

Statewide - Antlered Buck Bag Limit

The statewide bag limit for antlered bucks in Tennessee is three (3), except a hunter may take no more than two (2) antlered bucks from Unit B. No more than 1 antlered deer may be taken per day. The only way the bag limit of three antlered bucks may be exceeded is if bucks are taken on TWRA or NWR managed hunts where the bucks are noted as bonus deer in the section listing WMA regulations. Deer taken on Ft. Campbell are also bonus deer.

* A Type 94 permit is required to hunt antlerless deer during this season except for landowners hunting under the landowner exemption (as described in T.C.A. 70-2-204), Sportsman license holders (including Lifetime Sportsman), and hunters who possess a Type 167 permit.

** Youths 6-16 years of age may participate. Each young sportsman must be accompanied by a non-hunting, adult, 21 years of age or older, who must remain in a position to take immediate control of the hunting device and who must also comply with fluorescent orange regulations, as specified for legal hunters.

Note: The statewide antlered buck limit is three (3), except no more than two (2) antlered bucks may be harvested in Unit B. Antlered deer must have antlers a minimum of three inches (3") in length on buck only or antlered only hunts. Antlerless deer are defined as deer with no antlers or deer with antlers less than three inches (3") in length.

Archery equipment is permitted during the muzzleloader and gun seasons while muzzleloading equipment is permitted during the gun season.

C. Antlerless White-tailed Deer Special Hunts

The following counties and portions of counties are open to antlerless deer hunting during the regular gun season as specified.

Quota Hunts -- *Special quota permit required, except for landowners hunting under the landowner exemption (as described in T.C.A. 70-2-204).* Bag-limit one deer per permit except where noted.

Note: Blount, Knox, Roane, and Sullivan counties allow a bag limit of 2 deer per permit.

Non-quota Hunts -- *No hunter quota but a Type 94 permit is required except for landowners hunting on their own land, Sportsman license holders (including Lifetime Sportsman), and hunters who possess a Type 167 permit.*

Note: Unit A & B: the bag limit for each county for each non-quota hunt is defined in the Table.

Unit L: a hunter may harvest 3 antlerless deer per day during the regular gun season.

Section VI. Special Regulations.

1. Big Game Tagging – It is unlawful to move, transport, or field dress any big game animal, except for feral hogs without invalidating and attaching a properly completed temporary kill tag. If additional animals are to be harvested on that calendar day, the hunter is not required to stop hunting and tag the animal until he/she is ready to move, transport, or field dress the animal. All animals harvested must be accompanied by one tagged animal and must be taken together to the nearest big game checking station by the most reasonably direct route within thirty-six (36) hours of last kill where one new temporary kill tag will be issued. Evidence of species and sex must be available for inspection by Wildlife Officer or Agency designated personnel prior to issuance of permanent game tag. The permanent harvest tag is a legal document and must be signed by the hunter. By signing the permanent harvest tag, the hunter is affirming that the information, as it appears on the permanent tag, is correct and valid. The permanent game tag must remain with each carcass until final processing. Persons legally hunting without a license are also required to take any big game animal harvested to a check station. After receiving a temporary harvest tag from checking in their first kill, these persons must comply with all tagging regulations. All big game taken to a taxidermist to be mounted must be accompanied by documentation showing the permanent game tag number, checking station number, and date of kill.

Section V. Repeal of Prior Proclamations

This proclamation repeals Proclamations No. 06-13, dated May 19, 2006.

Proclamation No. 07-07 received and recorded this 30th day of May, 2007; to be effective August 1, 2007. (FS 07-30-07, DBID 07-07)
