O. W. H. Mr.

As I was informed this
morning that you were awaiting the papers
in the case of the Belgian Senem Citizens con-
fined here, I was informed before leaving
Alton Prison by the Comdy officier that there
were no papers in our case. I enclose
you a copy of a letter written by a member of Mr. Ross's staff, which
in the absence of other testimony may
serve to throw some light upon
our case; this letter was published
in the "Democrat" of this city and though
different in some respects from our ver-
sto of the case is in the main con-
cept.

Very Respectfully,

G. W. S. Brown
