By his Majesty's
H. M. Mintons
Royal
General:

Allow us to suggest that we believe it would promote the Military interest as well as the interest of the Citizens of Memphis to have a permanent Provost Guard. If you are of this opinion, we most respectfully ask you to detail for this special duty the 150th Illinois Regiment—Col. McS—

This application is made not in a spirit of dictation, but subject to the enlightened discretion of the Commanding General.
