Camp, Past a.m.

Your petitioner, L. W. Waltham, a citizen of Henry County, Tenn., respectfully states that on the evening of the 3rd of the present month, while the Federal forces were traveling from Paris to Jackson, some of the men in Col. Backland's Brigade, seized two mules saddled and homem one of them a bright colt mare and the other a large bright bay mule, a mule promising which they should be returned to me. Petitioner further asks that he may be permitted to hunt for the mules and that an order may be granted to get the same. He then states that he took the oath of allegiance to the United States the 15th of Sept. last at Huntingdon, Tenn. All of which he respectfully submit.

I have known Mr. J. M. Walton and J. Mitchell for some years and can say that they have sustained the reputation of honorable men. As doubt since they have taken the oath of allegiance that they have kept observed it. So far as I know this is the case from their general character. I believe this is the case.
