LaGrange, Tenn. Aug. 8th, 1823

To Maj. Genl. Bullett.

The undersigned petitioners, citizens and traders of LaGrange, would respectfully represent that they have been called upon and compelled to pay what is called a poor tax of five dollars per week for the privilege of trading and selling goods in said town. We are required to pay this. Tax. Notwithstanding we have not been permitted to bring in any goods to fill up our stock. We therefore respectfully ask that you will relieve us from this burdensome tax until the proper notice is given upon trade as another.
