Capt. J. U. Glover

Sir,

I have two servants in my employ. Col. & S. W. Mitchell (Colored) have had them since the middle of Oct. 1862.

Col. Mitchell, age 40 years, height 5 ft. 2 in. came to the Lines at Sen. Dandlake, Tenn. about Dec. 1, 1862.

Col. W. D. Lewis Marched Co. of Stewarts Co. Tenn., S. W. Mitchell, his son, 20 years of age, 11 ft. 10 in. long, long

at allace.

Lewis Marched Co. was a source of a largealling.

Mile of Stewarts Co. Tenn., larger than their own and destitute they manufactured for the Rebels large quantities of Gun Powder and other materials for the Rebels. Their stocks were employed in constructing the rebel lines at this place. In August 1862 they furnished Henderson a Cut of their so called Confederate Army a large

quantity of powder.

Respectfully,

A. H. Smith

Capt. Com. S.D. Mo.
