Dear General,

We the union men of Sumner, Wilson, and Smith Counties are desirous that Brinich Clark shall be pardoned of all his past offenses and that he shall be put in command of a federal force intended exclusively for scouting home purposes. We do this hoping and believing it will be the very best means of restoring peace and quiet to Sumner, Smith, and Wilson Counties. If we differ with you about this matter we do it honestly as friends of the same cause. And we know you are inclined always to have the best light on any and every subject before you take final action.

With great respect,
We are Your
Sincerely Friends
