Colfax, Dec. 8, 1865.

This is to certify that I have been informed from reliable sources that Hon. J. S. Hufsmith, L. S. Griffin, Wm. Young Co., and Madame Vivian, from Hon. Wm. H. Huney, have been receiving whisky from Adair, to Cincinnati during the month of Oct., first of Nov.

I also further state that you E. C. Davenport, a citizen of this city, were furnishing permit during the month of Oct. to bring no cotton from Adair, to bring no cotton from Tennessee or Mississippi, he said that he would furnish permit at the Port of this, and at the same time he said he would take them through Cape, Clark at J. W. V. W. W. H. W.
