Colonel.

During General

Stevens staying in this place, I mentioned to

him the fact of there being "Annual permits" given

to the loyal citizens of this place to purchase

provisions supplies for themselves and families.

I find on inquiry that the following named

citizens have such permits and are daily fur-

chasing supplies of:

Mrs. A. H. Stullman (Wife of Captain of Branch

Bank of Orrin, who bears the entrance of the U.S.

forces into this place and succeeded with all

the families of the town.)

Misses W. Mathews.

Miss Clark Walling (Daughter of Mrs. A. H. Walling)

Miss F. Mathews

Miss Felicia Philthorne.

All of the above have permits granted.
I would respectfully submit that it would be much more to the benefit of this place if the men of this town would take the oath of allegiance to the U.S. Govt. and give the same service, so they can just as well get all the benefits without it, and be at any hour ready to throw their lives, that they have been consistently his friends. 

Im respectfully,

Your old servant,

S.H. Shreveville

To Col. & Co.,
